INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Community Partnership Charter School Education Corporation

Report on the Financial Statements

We have audited the accompanying financial statements of Community Partnership Charter School Education Corporation ("CPCSEC") (a nonprofit organization), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Partnership Charter School Education Corporation as of June 30, 2017 and 2016, and the change in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained in the accompanying combining statements of activities by school location for the years ended June 30, 2017 and 2016, on pages 16 - 17 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The combining information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 31, 2017, on our consideration of CPCSEC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CPCSEC's internal control over financial reporting and compliance.

COMMUNITY PARTNERSHIP CHARTER SCHOOL EDUCATION CORPORATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016

NOTE 1. ORGANIZATION AND NATURE OF OPERATIONS

Principal Business Activity

Community Partnership Charter School Education Corporation is an education corporation that operates two charter schools in the borough of Brooklyn, New York.

Effective October 1, 2014, Beginning with Children Charter School 2 ("BwCCS2") merged into Community Partnership Charter School ("CPCS"), the surviving entity. Concurrent with the merger, CPCS changed its name to Community Partnership Charter School Education Corporation ("CPCSEC").

On July 1, 2014, the Board of Regents of the University of the State of New York ("SUNY") granted a fourth provisional charter to CPCS for the merger of BwCCS2 and CPCS to form CPCSEC, expiring on July 31, 2017.

On March 8, 2017 the Board of Regents of SUNY renewed the CPCSEC charter for a period of five years, expiring July 31, 2022.

CPCSEC'S mission is to provide personalized education for each student, addressing weaknesses and reinforcing strengths through individualized instruction, dynamic curriculum, ongoing assessment and parental/community engagement. CPCSEC puts the needs of the whole student first, transcending the academic rigor of the classroom and nurturing the development of children from their formative years through college.

The New York City Department of Education ("NYCDOE") provides free and reduced-price lunches and transportation directly to a majority of CPCSEC's students.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Financial Statements

The accompanying financial statements have been prepared on an accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP") and is presented in accordance with accounting requirements for not-for-profit organizations. These requirements provide that all not-for-profit organizations provide a statement of financial position, a statement of activities and a statement of cash flows, and that net assets be classified as unrestricted, temporarily restricted or permanently restricted based on the existence or absence of donor stipulations regarding their use.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain amounts in the prior year financial statements have been reclassified to conform to the current year presentation. These reclassification adjustments had no effect on CPCSEC's previously reported change in net assets.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

CPCSEC maintains cash in deposit accounts which, at times, may exceed federally insured limits. CPCSEC has not experienced any losses in these accounts. CPCSEC considers all highly liquid instruments purchased with a maturity of three months or less to be a cash equivalent.

Restricted Cash

Restricted cash reflects \$150,000 in funds maintained in separate accounts as required by the Charter School Institute, to have funds available to ensure an orderly liquidation, dissolution or transition process if CPCSEC's charter were to be terminated or CPCSEC was closed for other reasons.

Contributions

The financial statements of CPCSEC reflect contributions received from the public and other organizations. Contributions are recognized in the accompanying statement of activities as revenue in the period in which they are received or unconditionally promised. CPCSEC reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit their use. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as "Net assets released from restrictions." Amounts received with donor stipulations that limit their use to certain purposes are reported as unrestricted support if the stipulated purpose restriction is accomplished in the same year.

Grants and Refundable Advances

Revenue from the state and local governments resulting from CPCSEC's charter status, which is based on the number of students enrolled, is recorded when services are performed in accordance with the charter agreement. Amounts received prior to services being rendered on behalf of students are recognized as amounts due to NYCDOE. Revenue from federal, state and local government cost reimbursement grants and contracts is recognized as revenue when qualifying expenditures are incurred. Amounts received in excess of expenditures incurred are recognized as refundable advances.

Grants, Accounts and Other Receivables

Grants, accounts and other receivables is stated at the amount management expects to collect. Management evaluates such receivables and establishes an allowance for doubtful accounts based on a history of write-offs and collections and current credit conditions. At June 30, 2017 and 2016, management determined that no allowance was required.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributed Services and Space

Contributed services are reported as contributions at their fair value if such services create or enhance nonfinancial assets, would have been purchased if not provided by donation, require specialized skills, and are provided by individuals possessing such skills.

A number of volunteers have made a contribution of their time to CPCSEC to develop academic and other programs and to serve on the board of trustees. The value of this contributed time is not reflected in the accompanying financial statements inasmuch as those services would not typically be purchased had they not been provided by donation.

CPCSEC was the recipient of donated space which was used for the BwCCS2 middle school campus. For the year ended June 30, 2017, the value of the donated space amounted to \$847,600, and is included in "Donated space" in the accompanying statement of activities, and "Rent and leasing costs" in the accompanying statement of functional expenses. There was no donated space received for the BwCCS2 middle school during the year ended June 30, 2016.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes CPCSEC's gains and losses on investments bought and sold, as well as held, during the year.

Property and Equipment

CPCSEC capitalizes all purchases of property and equipment in excess of \$2,500 and with a useful life of greater than one year. Property and equipment are carried at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets.

Net Assets

Unrestricted net assets are net assets that are not restricted by donors or for which donor-imposed restrictions have expired. Board-designated net assets were established by the board of trustees to provide a fiscally prudent reserve for unforeseen facility, personnel and other issues. Temporarily restricted net assets are restricted by donors for a specific purpose or for a specified time period beyond the current fiscal year. At June 30, 2017 and 2016, CPCSEC had no temporarily or permanently restricted net assets.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying statements of functional expenses. Certain costs have been allocated among program and supporting services.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

CPCSEC is a not-for-profit organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (the "Code"), and from state income tax. However, net income resulting from certain activities not related to CPCSEC's tax-exempt status is subject to unrelated business income tax ("UBIT"), if applicable.

CPCSEC recognizes and measures its unrecognized tax benefits in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 740, *Income Taxes*. Under that guidance, CPCSEC assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

Management has evaluated CPCSEC's tax positions and has concluded that CPCSEC had taken no uncertain tax positions that require adjustments to the financial statements.

Recently Issued by Not Yet Effective Accounting Standards

Effective for the year ending June 30, 2019, CPCSEC will be required to adopt the requirements of recent accounting guidance which changes the presentation of not-for-profit financial statements. The new guidance reduces the number of net asset classes from three to two, and increases disclosures about financial measures and liquidity risks, among other changes. The effect of adopting this new guidance on CPCSEC's financial statements and related disclosures has not yet been determined.

In February 2016, the FASB issued Accounting Standards Update ("ASU") No. 2016-02, *Leases* ("ASU 2016-02"). This update requires all leases with a term greater than 12 months to be recognized on the statement of financial position through a right-of-use asset and a lease liability and the disclosure of key information pertaining to leasing arrangements. This new guidance is effective for years beginning after June 30, 2020, with early adoption permitted. The effect of adopting ASU 2016-02 on CPCSEC's financial statements and related disclosures has not yet been determined.

Fair Value Measurements

FASB ASC 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that CPCSEC has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

CPCSEC assesses the levels of the investments at each measurement date, and transfers between levels are recognized on the actual date of the event or change in the circumstances that caused the transfer in accordance with its accounting policy regarding the recognition of transfers between levels of the fair value hierarchy. There were no transfers among levels during fiscal years 2017 or 2016.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, CPCSEC has evaluated subsequent events through October 31, 2017, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

NOTE 3. RELATED-PARTY TRANSACTIONS

The Beginning with Children Foundation (the "Foundation") is a not-for-profit organization dedicated to improving the educational opportunities of underserved children. The Foundation is a cofounder of CPCSEC.

- (b) *Cost approach.* Amount that would be required to replace the service capacity of an asset (replacement cost); and
- (c) *Income approach.* Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

The following tables summarize CPCSEC's assets measured at fair value on a recurring basis, categorized by GAAP's valuation hierarchy as of June 30, 2017 and 2016.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Trustees
Community Partnership Charter School Education Corporation

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Community Partnership Charter School Education Corporation ("CPCSEC") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 31, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered CPCSEC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of CPCSEC's internal control. Accordingly, we do not express an opinion on the effectiveness of CPCSEC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether CPCSEC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of CPCSEC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CPCSEC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
